

DEFRA (Ref: MO43) For Weather Forecast Planning Issued on Saturday, 01 January 2022 at 05:26 local time

Air Quality Forecast for the UK

Issued by the Met Office

Today: The New Year will start with exceptionally mild and also breezy conditions, along with some showers or outbreaks of rain, helping to maintain Low levels of air pollution across the UK.

Tomorrow: Showers or longer spells of rain for many areas, with Low levels of air pollution persisting across the UK for Sunday.

Outlook: Breezy and showery, and also much colder, weather conditions will arrive while Low levels of air pollution continue across the UK.
